How long have you been worshipping at United Reformed Church? My whole life (13 years!)

What first brought you to United? My parents

The thing I most appreciate about United is their

love and faith in one another and the fact that they really are brothers and sisters in Christ.

Who had the biggest influence in shaping your faith and why? My dad has been through a lot and has shown me never to lose faith no matter how bad times are.

The thing that God is teaching me right now is how to get a closer connection with him.

My biggest question about my faith is why do bad things happen to good and innocent people?

What difference has God made in your life? The difference He has made is how I see life and how I deal with things on a daily basis.

Ideas, articles, big news, contributions? Feel free to share with *The Light!!* If there is something you'd like to see, reach out to Kim in the church office.

How long have you been worshipping at United Reformed Church? My whole life (13 years!)

The thing I most appreciate about United is how close we all are; you are all like my family.

Who had the biggest influence in shaping your faith and why? My dad. With everything he has gone through, he has never lost his faith.

The thing that God is teaching me right now is that all things happen for a reason.

My biggest question about my faith is why do so many bad things happen?

What difference has God made in your life? God has helped me grow as a faithful, strong, clever young woman.
